### ABOUT ME

---

Hey! I'm Valentin, a 19 years university student with big DREAMS I can define me as a DREAMER. Besides my passion for creation I am a hardworking person that never gives up until I get what I want. I would say that "Never Give Up" is my life motto. In the last 6 months I have taken up learning web development. At the moment I am a full-time Web Programming student at University of Huddersfield. Also I can make landing pages and business websites using HTML5, CSS3, WordPress, JavaScript and creating design by Adobe Xd. In the further future I am looking to get professional experience and grow as a web developer learning new frameworks, libraries and programming languages.

### Wordpress Project

[ 1 Oct 2020 – 9 Nov 2020 ]

Here I attached the link to my personal website. For creating this website I used :

- Plugins such YoeastSEO,WPForm,Elementor, SpeedOptimization , Google Analytics, SSL, Cache and Back-up plugins.

I also used some custom CSS code in order to give the shape I wanted.
